IMOC Contact List

In order to facilitate easier contact between Club members, the Committee would like to recommence distribution of a contact list between members, which we will include with regular mailings, as we used to do a number of years ago. This list will contain only the following information: Name, Home Area (i.e. "Dublin 16" or "Gort") and Mobile No. In order to comply with Data Protection, we will only include your details if you give us permission to do so, by ticking the box to agree with the following:

I hereby give permission for the IMOC to include my name, limited address and mobile phone number on a contact list to be distributed only to current IMOC members.

(Please tick box if you wish your details to be included, otherwise leave blank)
